Entertainment and Event Initiatives – Everyone Welcome

One Saddle – Three Horses with Bates Saddles

6.45pm until 8.00pm .Thursday 5th March – Stadium – Free Entry - BYO

When choosing a new Saddle, it ideally needs to not only fit your horse now but also be able to adapt to meet the changing needs of your horse. Too many of us know the frustration that comes from our horses saddle no longer fitting, and we do everything we can to improve our horses comfort by using pads under the saddle to compensate for a poor fit, or even worse, we buy another saddle, only to have the same thing happen again months later. Bates Saddles featuring the EASY-CHANGE® Fit Solution offer the first total saddle fitting solution that enables full adjustment enabling your saddle to be custom fitted to your horses changing shape. For the first time, not only is the tree adjustable, but the panel can be easily modified too. All changes are measurable, symmetrical and totally reversible ensuring your horses comfort and your peace of mind.

This evening, we will demonstrate, using a Bates Saddle, how simple the EASY-CHANGE Fit Solution is by adjusting the one saddle to fit three horses with very different and unique conformations.
